STOPS PAIN

After, Tenn., Jan. 27, 1901.

Ever since the first appearance of my illness I have suffered with great pain in my back, neck, stomach and legs, with terrible bearing down pains in the abdomen. During the past month I have been taking Wine of Cardui and Theodor's Black-Draught, and I passed the monthly period without pain for the first time in years.

What is life worth to a woman suffering like Jennie Davis suffered? Yet there are women in thousands of homes to-day who are bearing those terrible menstrual pains in silence. If you are one of these we want to say that this time

WINE OF CARDUI

will bring you permanent relief. Consult yourself with the knowledge that 1,000,000 women have been completely cured by Wine of Cardui. These women suffered from leucorrhoea, irregular menses, headache, backache, and bearing down pains. Wine of Cardui will stop all these aches and pains for you. Purchase a \$1.00 bottle of Wine of Cardui to-day and take it in the privacy of your home.

For advice and literature, address, Dr. J. C. Davis, The Chastanooga Medicine Co., Chattanooga, Tenn.

ENUMERATION COMPLETED.

In the Towns of Jasper Co...Number Of Pupils And Amount Of Tax.

The annual school census for Jasper county is just completed, and the figures are being certified to County Clerk Stuckey. A list of the towns of the county, with the rate of school taxation in each, and the total school enumeration, is as follows, the figures in the two columns representing cents on the \$100:

Town	Tax	Pupils
Alba	100	184
Carl Junction	130	408
Cartersville	130	3428
Carthage	95	272
Jasper	60	100
Joplin	150	7,077
Nebk City	100	230
Oranogo	170	404
Sarcosie	140	443
Webb City	150	

For each child of school age enumerated, each school district is to receive something like \$2 from the state fund. Thus Jasper's share will be about \$398. It will also be seen that Jasper has the lowest rate of tax, notwithstanding the excellency of her schools.

For a Soldiers' Monument

"J. J. Davis, of Maple Grove" says a Carthage paper "is advocating the erection of a Jasper county soldiers' monument which he would place on one corner of the court house lawn in Carthage."

"A similar piece of statutory has just been erected at Mr. Davis' old home in Peoria, Ill., at a cost of between \$40,000 and \$50,000."

"Mr. Davis thinks that all the people of Jasper county should join together in this project and that one corner of the court house lawn is just the place for its location. He proposes to talk to the county court concerning it at its next session, and if the plan meets with that body's approval he will take up a thorough agitation of the matter."

Randall Sues Robt Sloan.

Through his attorney, Brown & Crowder, R. O. Randall today filed suit against Robt. Sloan to enforce performance of contract. Randall claims the right to own a half interest in the Owen & McAfee farm northwest of Carthage, which Mr. Sloan bought last year, and sued to secure deed to one half the property at purchase price. —Press

SETTLING W. H. SMITH ESTATE.

Dr. D. V. Wale Appointed Administrator—Two Deeds Found.

Dr. D. V. Wale was today appointed administrator of the estate of W. H. Smith deceased. The appointment is a mere formality as Mr. Smith's estate has practically been settled and has been in the hands of his two children, Mrs. Wale and Chas. H. Smith, for four years past.

This morning it was found in looking over deceased's papers that he had some years since deeded to his son Charles his Illinois farm and to his daughter Mrs. Wale his property in San Diego, Cal. This leaves for the two heirs to own in common only the store building on the east side of the square in Carthage, now occupied by Frank Edell's drug store.

Chas. Smith will be here until Sunday attending to business matters, when he will return to Chandler, Oklahoma, to wind up his business there. From that place he will go to Illinois to look after his farm, and will return to Carthage about Jude 1.—Press

More Wheat Prospects.

Farmers are getting more and more jubilant over the wheat prospects this year, and say that "if they have plenty of rain they will raise enough wheat in Jasper county to supply the state."

That's just talk, but the crop will be better than ever before in the history of the county, if existing conditions continue.

And the oats crop will be good, too. As a usual thing the oats crop of this county is not a thing to boast of, but this year there will be enough to go around. At the present time the shoots are as high as the knee and the tops are very large. As it seldom grows over two feet and one half in height in Jasper county, and is almost that high now, the horses may look for good feed this year. —Carthage Democrat.

For Breaking Mail Boxes.

Charles Everett was before U. S. Commissioner Roper Friday on a charge of breaking rural route mail boxes belonging to Richard Watson and J. C. Hampton on route No. 5 out of Neosho and was bound over to await the action of the federal grand jury at Joplin in June on a \$300 bond.

The law provides a penalty for breaking mail boxes of not less than \$100 fine or more than \$1,000 or by imprisonment not less than one year or more than 3 years. If the young man is found guilty it will go hard with him and his sentence will prove an example to the several Jasper county young men who have narrowly escaped being arrested on the same charge. —Carthage Democrat.

BOUNTY FOR WOLF SCALPS.

County Court Gives \$3 Each For Them.

Last month the county court decided to give a \$3 bounty for wolf scalps, and last week C. Bronson an Alba man took three of the scalps to Carthage and drew his \$9 for them. These are the first scalps to come in since the bounty was offered. Half is paid by the county and half by the state. The three scalps presented to the county clerk were those of gray wolf pups. Bronson and Frank Catthers found a den of seven of them on the Smith farm, 12 miles southeast of Alba. The other four are being kept by Frank Catthers, Fred Post and Lee Smith as pets.

Whooping Cough.

A woman who has had experience with this disease, tells how to prevent any dangerous consequences from it. She says: Our three children took whooping cough last summer, our baby boy being only three months old, and owing to our giving them Chamberlain's Cough Remedy they lost none of their plumpness and came out in much better health than other children whose parents did not use his remedy. Our oldest little girl would call lustily for cough syrup between whoops. —JESSIE PINEY HALL, Springville, Ala. The remedy is for sale by Webb Drug & Hardware Co.
